## SERVICES & INFORMATION

### LOOKING TO WORK IN THE DISABILITY SECTOR?

The Disability Workforce Hub for Yorke and Mid North is an important initiative to help secure a sufficient and diverse workforce supply as the region moves towards full implementation of the NDIS. It will operate as a 'One Stop Shop' for organisations, workers and job seekers looking for support and assistance across the disability sector. The Hub will contribute to building workforce capacity and capability, ensuring local people are employed and to help South Australian employers secure skilled and experienced workers.

Enhanced Career Services is a **FREE** service for individuals in the Yorke Region, the Mid North Region and the Southern Flinders Ranges.

#### WHO IS ELIGIBLE FOR ENHANCED CAREER SERVICES?

Enhanced Career Services Yorke and Mid North would appeal to people who:

## **Disability Workforce Hubs**

The State Government's disability workforce hubs are a service that supports job seekers who want to work in the disability sector. **Up to 6000 new jobs will be created** across the state over the next few years to support the National Disability Insurance Scheme (NDIS) rollout. An Employment Coordinator at each hub will help identify local workforce needs and opportunities, and coordinate programs, projects and services in partnership with local employers and businesses, employment service providers, training providers and councils across their respective regions. A monthly newsletter will be distributed covering national and local NDIS rollout updates, expo's and information sessions as well as upcoming employment and training opportunities within the growing disability sector. To register your interest in receiving these please [email](#)

**For more information about the Disability Workforce Hubs visit [HERE](#).**

Alternatively, you can contact your local Disability Workforce Coordinator

### **Jobactive Programs for Small Businesses**

PaTH program is run by the Commonwealth Department of Employment to assist employers with hiring interns and young people.

Employers can host an internship placement for 4 to 12 weeks and receive a payment of \$1000.

Wage subsidies of up to \$10,000 are also available to employers who hire a job seeker between the ages of 15 - 24.

Certain criteria applies so check out <https://jobsearch.gov.au/path/employers> for more information.

## **TRAINING OPPORTUNITIES**

### **Commonwealth Scholarships Program for South Australia**

**The Commonwealth Scholarships Program for South Australia** offers support for a minimum of 1200 undergraduate, postgraduate and vocational education and training students to undertake study, training and internships in South Australia.

It aims to improve skills and employment opportunities linked to priority industries in South Australia. It also creates opportunities for workers in industries experiencing structural adjustment and retrenchment.

The program delivers on the Australian Government's 2016 election commitment to provide up to \$24 million over four years for a minimum of 1200 scholarships for undergraduate, postgraduate and vocational education and training students to undertake study, training and internships in South Australia.

The Commonwealth Scholarships Program for South Australia will be administered through two rounds of applications which will open in the second half of 2017.

#### **Who can apply**

Scholarships are available for students studying from Certificate III to PhD levels in an area that will lead to employment in one of three streams:

- **Stream 1** – defence industry (including naval shipbuilding)

- **Stream 2** – advanced manufacturing, health services and medical research, tourism and hospitality, wine and food, and energy and resources. Applications will also be accepted from students who intend to study in a field that is relevant to, and are currently employed by, a business with innovative practices that result in economic growth
- **Stream 3** – South Australian state-based skills needs. Any occupation listed on pages 2 and 3 on [the Australian Government Department of Employment's Skills Shortage List for South Australia](#) will be eligible for a scholarship.

Scholarship funding of up to \$17,500 is available for each student. This amount will vary based on scholarship length and whether studies are part time or full time.

#### **Eligibility**

To be eligible to apply, you must:

- be an Australian citizen or permanent resident
- be eligible to undertake an approved program of study\*
- be aged 15-64 years at commencement of study
- be a new student or in the first year of your study program
- be living in, or able to relocate to, South Australia for the duration of the scholarship
- be willing and able to participate in an internship (where applicable)
- intend to enter the workforce or accept employment in South Australia at the end of your course of study or training.

\*meaning you must be able to gain entry in to the qualification you intend to study, having met any academic prerequisites set by the education and training provider.

Read the [program guidelines](#), including [addendum 1](#) and [addendum 2](#). The program guidelines are also available on [GrantConnect](#) (you will be required to create an account to view the content).

#### **Internships**

The scholarship includes a paid internship component equivalent to 20 business days.

Internships provide scholars with opportunities to gain experience in an industry placement in a priority industry relevant to their study or training, gain skills on the job, and learn about and contribute to the business they are placed in.

Internships will be in addition to the approved program of study. Scope Global (the support contractor for this program) will secure internships for each scholar.
